On September 13, 2010, the Governor's Commission on Minority and Women's Business Enterprises approved the department's effort to streamline its recertification process. Instead of conducting an onsite visit to each company seeking recertification, the department now has the discretion to waive the visit after a thorough review of the company's file and recertification documents. We have approved your recertification and it is valid through 6/30/2018. Please note that IDOA continues to reserve the right to conduct a site visit or phone interview at any time to certified companies.

Although your certification is valid for a three-year period, you are required to submit an annual *Affidavit of Continued Eligibility (ACE)* form, located at http://www.in.gov/idoa/files/ACE_Form.pdf. Please remember you must notify us immediately if any changes occur. Failure to notify us of changes or to provide an ACE form annually will result in revocation of your certification. Changes include, but are not limited to, changes in location, contact information, ownership and control.

Dear Mr. Day:

The Office of Minority & Women Business Development has completed its review of your firm's application for certification as a certified **Minority Business Enterprise (MBE)**.

Your company is hereby **certified** with the City of Indianapolis in the **Construction** trade specializing in **Seeding Service; Highway & Road Sign or Guardrail Construction & Repair Service; Land Grading Service; Drainage System Construction Service; Earthmoving Service; Highway & Road New Construction Service; Pipe Laying Service; and Building Site Preparation Services**. This certification is issued pursuant to the City's Minority & Women Business Utilization Plan, part B.

Your certification is valid until **July 31, 2019**, and is subject to revocation if: (1) changes in ownership; managerial or operational control causes your firm to no longer qualify for the City's M/W/V/DOBE Program; or (2) if just cause is determined through established investigative procedures.

M/W/DOBE firms must inform OMWBD, in the form of a sworn affidavit, of any changes affecting the ability of the Firm or its owners to meet the guidelines of the City's Utilization Plan with regards to ownership, control or the other certification requirements of the City Minority & Women Business Utilization Plan, part B. (**Affidavits must be received within thirty (30) days of the change**). Additionally, M/W/DOBE firms must provide, **yearly**, to the Office of Minority & Women Business Development a **No Change Statement** stating that the qualifying owner(s) continue to meet the ownership and control requirements of the City's Utilization Plan. Failure to provide a yearly No Change Statement may jeopardize your certification status.

Please ensure that your contact information is accurate and stays current. Inaccurate information limits our ability to provide outreach business opportunities. This certification is not necessarily accepted by other States or Agencies and does not verify the ability of your firm to perform the types of work you may indicate.

Please go to the **Purchasing Division's website** to register your business at: www.indy.gov/purch or call (317) 327-4900 for further instructions.

Sincerely,
